

# Mechanical Connector Termination Kit

## Precision Cleaver, Thermal Stripper, VFL, Cleaning Pens

The Optix America Professional and Basic Mechanical Connector Termination Kit combines all the tools needed for stripping, cleaning, and cleaving fiber. It is perfect for the successful termination of field installable mechanical connectors.

## Features

- The Professional and Basic Mechanical Connector Termination Kit combines all the tools needed for stripping, cleaning, and cleaving fiber
- Perfect for the successful termination of mechanical connectors
- Professional Kit includes WRXCL10 precision cleaver, WRXTS1 one-step thermal stripper, 10mW Visual fault Locator with 1.25mm Adapter, Sniper 6N1 fiber prep tool, KS-1 Shears, Lint Free Wipes 4"x4" (100), Wet/Dry Quickclean, Cleaning Fluid Bottle, 2.5mm Cleaning Pen, 1.25mm Cleaning Pen, Ruler, Marker
- Basic Kit includes all items above except the WRXTS1 one-step thermal stripper

## Specifications

| Items Included                       | Description                           |
|--------------------------------------|---------------------------------------|
| <b>WRXCL10 Precision Cleaver</b>     | 48,000 blade life include bin         |
| <b>WRXTS1 Thermal Stripper</b>       | Easily strips fiber cable buffer      |
| <b>Visual Fault Locator</b>          | 10mW output power, Rechargeable       |
| <b>1.25mm VFL Adapter</b>            | Adapter for LC and MU connectors      |
| <b>Sniper 6N1 Fiber prep Tool</b>    | 250um, 900um, 3mm, 2mm buffer removal |
| <b>KS-1 Shears</b>                   | Kevlar and Cable Cutter               |
| <b>Lint-Free Wipes</b>               | 4"x4", Quantity 100 pieces            |
| <b>Wet/Dry QuickClean</b>            | Fiber Optic cable cleaner             |
| <b>2.5mm Cleaning pen</b>            | 800+ cleans for SC, ST, FC Connectors |
| <b>1.25mm Cleaning pen</b>           | 800+ cleans for LC and MU Connectors  |
| <b>Cleaning Fluid Bottle</b>         | 250ml size                            |
| <b>Ruler</b>                         | Stainless steel, 6" length            |
| <b>Marker</b>                        | Permanent & quick drying              |
| <b>Soft Case with shoulder strap</b> | Dimensions 10"x 7"x 6"                |

## Ordering Information

| Part Number     | Description   |
|-----------------|---|
| <b>MCT-KITP</b> | Professional Termination Kit Includes all the items listed <u>including</u> WRXTS1 one-step thermal stripper to successfully prepare fiber cable to terminate mechanical connectors |
| <b>MCT-KIT</b>  | Basic Termination Kit Includes all the items listed <u>except</u> WRXTS1 thermal stripper to successfully prepare fiber cable to terminate mechanical connectors                    |
